Haynes Has Exhibit in

Mexico Auto Show The new 1922 Haynes 55 models are the only American automobiles on exhibition at the Commercial exposition now in progress at Mexico City, Mexico, according to advices received by E. W. Headington, export manager of the Haynes Automobile Co. The Commercial exposition, which is declared to be one of the most elaborate in the history of Mexico, is being held in connection with the Centennial feasts. The the Vatican Haynes exhibit is arousing intense enthusiasm among the Mexican motoring public, states Leland de Villafranca, Haynes special representative in Mexico. The Commercial exposition will continue throughout the remainder of th

Men, Join Hands With Us on This Clothes Question

OUR POLICY To cut the retail cost of clothing and depend upon increased volume of business for profit.

OUR PLAN of saving you money on your clothes this year is just as simple as "two and two make

WE HAVE absolutely disregarded competition and cut prices way below the other fellow, with the full knowledge that this action would make us hosts of friends on all sides. We have attained our object-increased our volume of business-far beyond our expectations, and our friends are the ones who are getting the benefits.

AND THIS has been done without jeopardizing in the least the well known policy of Vernon's of handling the best of everything. We've never shown a wider assortment of quality clothes of all kinds. And the prices are most sensible.

THEREFORE, wir. Man, you cannot afford to go elsewhere for your clothes needs this year!

VERNON'S

"Every inch a clothing store"
